

## Future Leader Scholarship 2025

Abroad Study is providing educational service since 2014 to help the students of the whole world especially from the LDC's. From our experiences we observed that plenty of qualified candidates are stopping their endeavor to access in their long cherished higher study mission in the middle of the process due to financial insufficiency. In this regard we have started an initiative to give the financial support titled as '**Future Leader Scholarship**' for the eligible candidates who is selected for a position in a global ranked universities.

As an organization founded by expatriates Bangladeshi people, our initial focus is to promote the assistance to Bangladeshi students. We strongly believe that on completion of their studies, recipients of this scholarship will contribute to the development of Bangladesh through building an engagement and influential global networks of future leaders.
